DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on September 22, 2003 has been entered.

Response to Amendment

The Amendment, filed on August 8, 2003, has been entered and acknowledged by the Examiner.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Angela Robinson on December 8, 2003.

The application has been amended as follows:

In the claims,

Cancel claims 6-11.

In claim 5, line 2, replace the word "sheet" with the word --material--.

Allowable Subject Matter

Claims 1, 2, 5 and 12 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically comprising the limitation of a sealing member for sealing the lower electrode, organic EL layer and upper electrode on the substrate so that they are covered with the sealing member, wherein the sealing member is further comprised of an aluminum material and is coated by anodic oxidation with an absorbing material made of a porous aluminum oxide.

Regarding claims 2, 5 and 12, claims 2, 5 and 12 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
